Re: **CenterPoint Energy 2016 Annual GRIP Adjustment for the Beaumont/East Texas Division**

Dear Cities:

On March 31, 2016, CenterPoint Energy Resources Corp., d/b/a CenterPoint Energy Entex and CenterPoint Energy Texas Gas (“CenterPoint” or “Company”) filed a Gas Reliability Infrastructure Program (“GRIP”) adjustment factor with each of your communities in the Beaumont/East Texas Division of the Company. The Company is authorized to make annual GRIP rate change requests pursuant to Texas law passed in 2003, Gas Utility Regulatory Act,

TEX. UTIL. CODE § 104.301 (“GRIP Statute”) also see Section 7.7101 of the Railroad Commission of Texas (“Commission”) Gas Services Division Rules. The GRIP Statute authorizes gas utility companies to request annual rate increases associated with year-to-year changes in incremental investment. The changes in investment are not subject to reasonableness review in the GRIP filing. Instead all amounts collected under a GRIP filing are considered interim rates subject to review and refund in the Company’s next base rate proceeding.

In this case the Company has determined that CenterPoint’s capital investment in the Beaumont/East Texas Service Area has increased by \$36,034,473 during calendar year 2015. The carrying cost on this incremental GRIP investment results in the following average monthly customer bill impact for each affected customer class:

Customer Impact Summary

CUSTOMER CLASS	MONTHLY BILL INCREASE
RESIDENTIAL	\$1.71
GENERAL SERVICE SMALL	\$2.73
GENERAL SERVICE LARGE	\$12.37

The GRIP Statute provides that the proposed GRIP rate surcharge will become effective 60 days from the date of the Company’s filing or May 30, 2016, unless suspended by the Cities. Cities may suspend the GRIP rate increase for an additional 45 days beyond the Company’s proposed effective date of May 30, 2016 while reviewing the GRIP application. Attached to this letter is a Rate Ordinance for your consideration. This Rate Ordinance will suspend the GRIP rate effective date until **July 14, 2016. Please remember if your City wishes to suspend the proposed rates you must take action by passing the attached Rate Ordinance prior to May 30, 2016.** Otherwise the Company’s requested rates will go into effect on May 30, 2016.

The review process of a GRIP filing is generally a ministerial review limited to ensuring that the GRIP filing complies with the GRIP Statute. See *Atmos Energy Corp. v. Cities of Allen*, 353 S.W. 3d 156 (Tex. 2011).

During the suspension period any issues related to whether the GRIP filing comports with the GRIP filing rules can be reviewed so that Cities may make a final decision on this GRIP proposal. **Please send a completed copy of the final Rate Ordinance to me either by mail or email. We expect to provide each City a Final Rate Ordinance by June 1, 2016 so that final GRIP rates for 2016 may be approved, modified, or rejected by the July 14, 2016 deadline.**

If there are any questions or concerns, please do not hesitate to call.

Sincerely,

Daniel J. Lawton
